

### Steps for using a QR code to download

The Stock Exchange of Thailand, through Thailand Securities Depository Company Limited, in its capacity as the securities registrar, has developed a system that enables listed companies to distribute shareholder meeting documents and annual reports in electronic format via QR codes. This initiative aims to improve efficiency, enhance convenience for investors, and allow them to access information about listed companies quickly and easily.

Shareholders can download the information via QR Code by following the steps below.

- Turn on the camera on your mobile phone.
- Scan the QR Code 
- A notification will appear on your mobile phone screen. Tap the notification to view the shareholder meeting documents.

If no notification appears on your mobile phone screen, shareholders can scan the QR Code using other applications such as a QR Code Reader application, the Facebook application, or the Line application.

- If scanning the QR Code via the LINE application, the steps are as follows:

- A notification will appear on your mobile phone screen. Tap the notification to view the shareholder meeting documents.
